Due to the Freedom of Information and Privacy Act, parental or legal guardian permission is required to publish photos of anyone under the age of 18 years old. The Melfort Journal and the Northeast Sun are asking permission at the start of the hockey season to take photos and publish them in the newspapers. A parent's or legal guardian's signature is permission enough to accomplish this.

Thank you very much for allowing your child's photo to be published.

Parent signature of permission: _____
